

The GLA

Price List as of 01st July to 31st August 2022

Mercedes-Benz

Welcome

At Mercedes-Benz we appreciate the importance of detail. Over the following pages you'll find model prices and a breakdown of standard and optional equipment, as well as details of the attractive finance offers and benefits that are available to every Mercedes-Benz driver.

We have highlighted some of the best styling features both inside and out, some of the new technology features and some body styling options which all combine to give you a unique driving experience. To experience a full listing of what is available; please speak directly to your local Mercedes-Benz Dealer.

Of course, some things have to be experienced to be truly appreciated, such as the qualities that set a Mercedes-Benz apart, which is why we'd like to invite you for a test drive at your local Mercedes-Benz Dealership. Discover the location and the contact details of your local Mercedes-Benz Dealership at **www.mercedes-benz.ie**

Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification.

GLA

Technology

Mercedes-Benz User Experience (MBUX)

Transforming the in-car user experience, thanks to MBUX: Controlled via voice or touch input, the innovative infotainment system can over time even predict personal habits thanks to artificial intelligence.

Multi-gesture touchpad control

Voice control

- Activated by the keywords “Hey Mercedes”, the new intelligent voice control LINGUATRONIC¹ lets you control many of the infotainment functions, including destination input, phone calls or music selection
- MBUX is able to understand different accents and will adjust to you over time
- MBUX even understands indirect commands. Feeling chilly? Just say “I feel cold” and MBUX will adjust the temperature for you

Touch inputs

- Beside voice control you can operate MBUX via touchscreen, the touchpad on the centre console, as well as touch control buttons on the steering wheel
- The touchpad recognises your handwriting should you wish to enter addresses or phone numbers silently

Personalisation

- Turn the GLA into your very own Mercedes-Benz by personalising driving modes, radio stations and much more
- Your personal settings can be saved in up to seven different profiles, making your driving experience the best one possible
- Thanks to artificial intelligence, MBUX is able to learn and adapt over time. It will be able to predict your personal habits, such as navigation for frequently-driven routes, or the radio station you like to listen to on your way home from work

Maintenance and service

- Wondering when the next service is due? Or how much further you can drive until you need to stop at a petrol station? Just ask your MBUX – it will tell you the answer

¹LINGUATRONIC off-board functions are currently only available for three years

Mercedes me connect

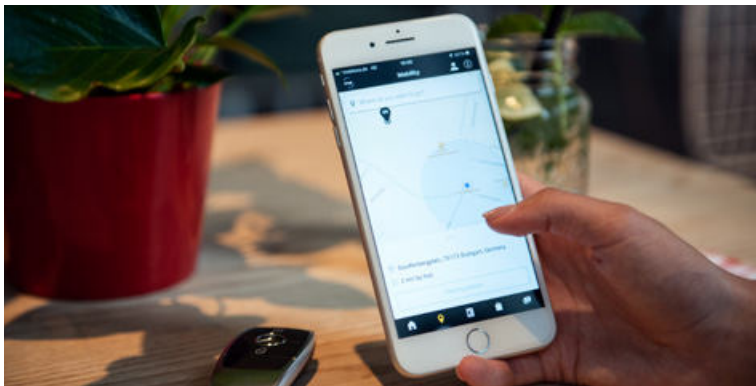

Stay connected any time, anywhere.

Mercedes me

Mercedes me is a range of innovative online services designed to enhance your Mercedes-Benz experience. Accessible via mobile, tablet or PC, Mercedes me lets you enjoy the highest standards of care and support, in a way that integrates seamlessly with your busy lifestyle.

Safety and Service – Mercedes me connect helps to keep you and your car safe

Check your car's oil level, tyre pressure and fuel from your phone so you'll be ready for every journey.

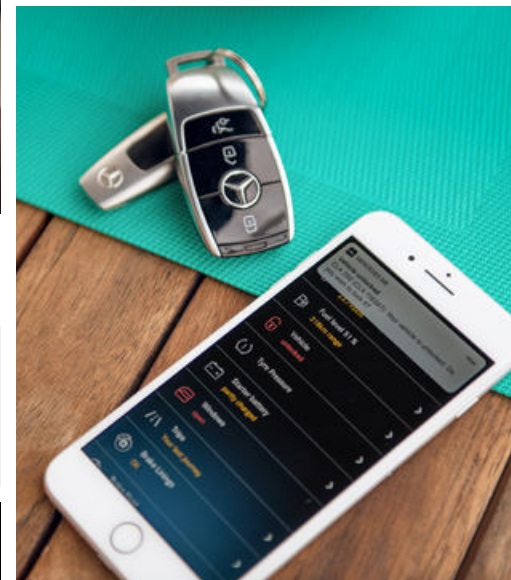

Live Traffic Information, Parked Vehicle Locator and much more with Mercedes me connect

Forgot where you've parked? Parked Vehicle Locator¹ will show you exactly where your car is as long as you're in a 1.5km radius of where you parked. Real-time traffic data and dynamic route with shorter journey times.

For more information speak to your local Retailer or visit the Mercedes me connect store at <https://www.mercedes-benz.ie/passengercars/being-an-owner/mercedes-me-connect.html>

Comfort – connect to your car anytime, anywhere

Forgot to lock your car? With Remote Car Lock² you will receive a notification on your smartphone to let you know. With one tap, you can lock and unlock your vehicle so you never have to worry.

¹Available on all models with the Vehicle Monitoring package. This option may vary between standard and additional cost dependent on the model

²Part of the Vehicle Status package. This option may vary between standard and additional cost dependent on the model

GLA

Plug-in Hybrid

Plug-in Hybrid Electric Vehicle (PHEV)

Our plug-in hybrid features a petrol powertrain, combined with a High Voltage battery and electric motor. Enjoy hybrid mode for maximum efficiency, or all-electric mode for local emission-free driving.

Plug-in Hybrid Electric Vehicle (PHEV) The GLA 250 e.

Plug-in hybrid vehicles enjoy the same functionality of full Hybrid technology, with the added benefit that they can be charged from an external electricity source.

GLA 250 e

Petrol – 1,332cc, 4-cylinder, 160hp/118 kW

Electric motor – 102 hp/75 kW

Available as: Progressive & AMG Line

Standard equipment

Advanced Plus Package – featuring Ambient Interior Lighting + 10.25-inch Fully Digital Instrument Cluster + Mirror Package

Acoustic ambient protection – the tone pitch changes depending on the driving conditions. You can therefore also differentiate whether you are braking or accelerating. Above 30 km/h, the system is basically deactivated since wind and tyre noise tend to dominate at higher speeds

Charging cable – Mode 2 cable (5 meters, straight), 3-pin plug, for household sockets up to 2.3 kW

Charging cable – Mode 3 cable (4 meters, straight) for wallbox and public charging stations

Charging socket

Charging system – AC charging system rated at 7.4 kW

Comfort suspension

Smartphone Integration

Technical details

Equivalent All-Electric Range (EAER) ¹	62-63 km
AC charging time, 10-100% ³	5 hrs 30 mins at a domestic socket ³ 1 hr 45 mins/3 hrs 15 mins at a wallbox
Range power consumption, combined ^{1,4}	16.1-15.5 kWh/100 km
Battery type (usable)	lithium-ion (10.6 kWh)
Capacity on-board charger	7.4 kW

1. The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in Ireland. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging. 2. Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10-100% charge using a wallbox (three-phase) or standard socket (single-phase). 3. If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord. 4. The certified electrical consumption is generally determined at maximum AC charging capacity using a Mode 3 cable. It is therefore recommended that vehicles with a HV battery preferably be charged at a wallbox or an AC charging station with a Mode 3 cable in order to achieve shorter charging times and improved charging efficiency.

GLA Model lines overview

Progressive

AMG Line

Option shown: Polar White (197)

Option shown: H44 Light longitudinal-grain aluminium trim

GLA Progressive

Standard equipment highlights

Option shown: mountain grey metallic (code 787)

Option shown: cosmos black metallic (code 191)

Engine, Transmission and Suspension

DYNAMIC SELECT with a choice of driving modes: Eco, Comfort, Sport and Individual

Exterior

18-inch alloy wheels, 5-twin-spoke design, aerodynamically optimised, painted black with a high-sheen finish

Black grained claddings with chrome parts

Dual flow exhaust pipes in chrome (non-functional)

Front bumper/underide guard in high gloss chrome

LED High Performance headlamps

Polished aluminium roof rails

Radiator grille with single louvre painted in a silver colour and chrome insert

Shoulder line and weather strip trim strip in chrome

Interior

- Air conditioning – THERMATIC automatic climate control
- Comfort seats with adjustable headrests
- Double cup holder
- Heated front seats with three settings
- Multifunction sports steering wheel in leather with chrome elements and gearshift paddles
- Touchpad
- Velour floor mats

Communications and In-Car Entertainment

- 7 inch digital instrument display
- 10.25 inch touch screen media display
- 180 degree reversing camera
- Active Brake Assist – forward collision warning system with autonomous braking intervention
- Active Lane Keeping Assist – can warn you by means of steering wheel vibrations if you inadvertently drive over road markings. In situations of danger, the system can also intervene actively by means of one-sided braking and guide you back into your lane

Communications and In-Car Entertainment (continued)

- Car wash function – exterior mirrors fold in, side windows and sliding roof close, windscreen wipers remain switched off and the climate control switches to air-recirculation mode
- EASY-PACK powered tailgate
- MBUX multimedia system with DAB digital radio
- Parking package featuring Park Assist & ultrasonic sensors positioned in the front & rear bumpers
- Speed Limit Assist – detects the speed limit and displays it in the instrument cluster
- USB interface in oddments tray and two USB (type C) interfaces in centre console

Trim and Upholstery

Spiral-look trim

ARTICO man-made leather black (101A)

GLA AMG Line

Standard equipment highlights

Option shown: mountain grey metallic (code 787)

Option shown: mountain grey metallic (code 787)

In addition to/replacement of Sport:

Exterior

19" AMG alloy wheels 5-twin-spoke design, aerodynamically optimised, painted tantalite grey with a high-shine finish

AMG bodystyling consisting of AMG-specific high-gloss chrome front splitter, large air intakes in black, rear air outtakes, AMG-specific chrome elements, AMG-specific dual-flow exhaust pipes in chrome (non-functional)

Diamond radiator grille with chrome pins

Lowered comfort suspension (677) (note: not for plug-in hybrid models)

Interior

AMG floor mats

Brushed stainless steel sports pedals with black rubber applications

Galvanised gearshift paddles

Sports seats – optimise lateral support for dynamic driving and at the same time provide comfort for everyday use

Three-spoke multifunction sport steering wheel in nappa leather with flattened bottom section and perforated grip area

Communications and In-Car Entertainment

7-inch digital instrument display

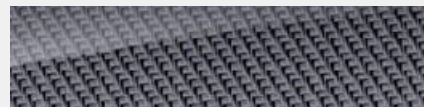

10.25-inch touchscreen media display

Standard Equipment

- 18-inch Alloy Wheels
- 10.25-inch Media display
- Active Brake Assist
- Active Lane Keeping Assist
- Communications module (LTE) for the use of Mercedes me connect services
- Digital radio
- DYNAMIC SELECT
- EASY-PACK power tailgate
- Heated front seats
- LED High Performance headlamp
- MBUX multimedia system
- Parking Assist with PARKTRONIC inc Reversing Camera + Parking Sensors
- Preinstallation for digital key transfer
- Preinstallation for Live Traffic Information
- Seat Comfort package
- Speed Limit Assist
- Stowage compartment in centre console with retractable cover
- Sun visor with illuminated vanity mirror
- THERMATIC automatic climate control
- Touchpad
- Velour floor mats
- Windscreen wipers with rain sensor

¹Price and availability subject to vehicle specification

Owing to supply shortages, options for vehicles may be temporarily restricted, resulting in modified vehicle and/or package pricing. Regularly updated information on this issue is available from Mercedes-Benz dealers.

Advanced Plus Package

From¹ €1,923 (Standard Equipment for PHEV models)

- **Ambient Lighting in 64 Colours**

Showcase the interior according to your personal preferences or current mood. The 64 colours of the ambient lighting create fascinating colour schemes, for example in the illuminated air vents, doors or the dashboard.

- **Digital Instrument Display (10.25-inch):**

You experience the entire range of digital display possibilities. The large, high-resolution 10.25-inch display is individually configured by you – for example in the classic form, with the speedometer on the left and the rev counter on the right. Visually impressive and easy to read: travel and driving assistance information is superimposed using the full display area.

- **Mirror package:**

You can fold in the exterior mirrors electrically and thus make your car slimmer at the press of a button. Small parking spaces suddenly become big enough. Importantly, this also protects you from annoying damage. The driver's exterior mirror and the rear-view mirror are also able to register headlamp dazzle from the rear and dim automatically.

¹Price and availability subject to vehicle specification

Owing to supply shortages, options for vehicles may be temporarily restricted, resulting in modified vehicle and/or package pricing. Regularly updated information on this issue is available from Mercedes-Benz dealers.

Premium Package

From¹ €4,239

In addition to/replacement of Advanced Plus Package components

- **Illuminated Door Sills:**
Even getting in and out becomes an experience in itself. As part of this, the high-quality stainless steel sill panels are illuminated with "Mercedes-Benz" lettering.
- **Hard-disc Navigation:**
Save time thanks to fast hard-disc navigation with flexible options for entries via touch control or voice input
- **KEYLESS GO:**
Maximum comfort for your day-to-day motoring: With the KEYLESS-GO Convenience Package, you can start and lock your vehicle simply by having the key with you.
- **THERMOTRONIC:**
The THERMOTRONIC controls the individual temperature in two zones. The activated charcoal filter works very efficiently, and as well as particulate matter it also eliminates harmful substances and unpleasant odours. Your health will thank you for it.

¹Price and availability subject to vehicle specification

Owing to supply shortages, options for vehicles may be temporarily restricted, resulting in modified vehicle and/or package pricing. Regularly updated information on this issue is available from Mercedes-Benz dealers.

Premium Plus Package From¹ €8,031

In addition to/replacement of Premium Package components

- **Head-up Display**

Ideal prospects for sporty driving fun and a superior driving experience: the head-up display transforms your windscreen into an exciting digital cockpit. This means you always have a direct view of key information. Your full attention remains on the road and the traffic conditions in front of you

- **MBUX Interior-Assist:**

Enjoy contactless ease of operation: this innovative system detects and interprets your hand and arm movements. This means you can activate selected functions in a matter of seconds. The system is able to differentiate between driver and front passenger – so that you reach precisely the menus you wish to use.

- **Parking Package with 360-degree camera:**

Park with peace of mind. The all-round visibility thanks to the 360 degree camera including a virtual birds-eye view is particularly impressive.

- **MULTIBEAM LED Headlights:**

For your perfect vision: the adaptive MULTIBEAM LED headlamps with individually controllable LEDs react to the traffic situation. Partial main beam omits other road users without dazzling them. And the cornering light and active light functions illuminate the field of vision optimally so that you can detect dangers sooner.

- **Surround Lighting with Projection of Brand Logo:**

An attractive eye-catching feature in dark surroundings. The additional light also makes it more convenient for you when getting in and out.

¹Price and availability subject to vehicle specification

Owing to supply shortages, options for vehicles may be temporarily restricted, resulting in modified vehicle and/or package pricing. Regularly updated information on this issue is available from Mercedes-Benz dealers.

Night Package From¹ €876

The Night Package adds further attractive features. Particularly eye-catching highlights in striking black or high-gloss black reinforce the individuality and sporty standards of your vehicle.

Components of the Night package:

- Door cladding in black with inserts in high-gloss black
- Exterior mirror housings painted in black, in conjunction with paintwork metallic Cosmos Black (191) they are painted in the vehicle colour
- Beltline trim strip and window line trim in high-gloss black
- Roof rails in matt black
- Heat-insulating dark-tinted glass starting from the B-pillar

Components in conj. with the Progressive line :

- 18-inch 5-twin-spoke light-alloy wheels (R38), painted in black and with a high-sheen finish
- Radiator grille with single louvre painted in high-gloss black and chrome inserts
- Simulated underguard on front and rear apron in high-gloss black

Components in conj. with AMG Line:

- 19-inch AMG 5-twin-spoke light-alloy wheels (RTG), aerodynamically optimised, painted in high-gloss black with a high-sheen finish
- Diamond radiator grille with pins in chrome, single louvre painted in black with chrome insert plus AMG front apron with front splitter in high-gloss black
- AMG rear apron in a diffuser look and with trim in high-gloss black

Fuel tank capacity/of which reserve	l	43/5	43/5	51/5	35/5	43/5	51/5
Turning circle	m	11.4	11.4	11.4	11.4	11.4	11.4
Fuel consumption^{8,9,10}							
Combined (consumption dependent on chosen optional equipment)	l/100km	6.6–6.8	6.6–6.8	7.6	7.1–7.2	5.3–5.5	5.7

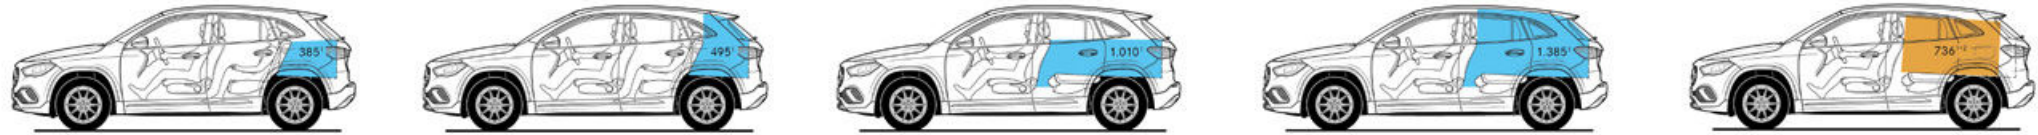

⁶Mass of the vehicle in running order with at least 90% full fuel tank, plus the mass of the driver (estimated by law at 75 kg), fuel and fluids, equipped with the standard equipment as specified by the manufacturer as well as, where applicable, the mass of the body, cab, trailer coupling and spare wheel(s) as well as tools. Optional extras, additional equipment and accessories can influence the weight, residual payload, rolling resistance, aerodynamics, etc., and therefore also affect the consumption/CO₂ values ⁷Please note there is currently no availability to retrofit a tow bar for GLA 250e ⁸All figures are based on a standard specification with the smallest tyre size ⁹The choice of wheels and transmission may affect CO₂ emissions and corresponding VRT band. ¹⁰ The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in Ireland.

and on Sunday.

Mercedes me

Welcome to your Mercedes-Benz world.

Imagine if ...you could connect with your Mercedes-Benz? With Mercedes me connect, you can! Mercedes me connect offers you new connectivity services that make driving more comfortable and incorporates your car into your personal lifestyle.

Standard Services

- Maintenance Management
- Telediagnosics
- Breakdown Management
- Accident Recovery
- Mercedes-Benz Emergency Call System

Remote Online Services¹

- Remote Retrieval of Vehicle Status (fuel level, tyre pressure etc.)
- Parked Vehicle Locator
- Vehicle Tracker
- Geofencing
- Door lock / unlock function

¹ Can be used with Remote Online special feature.

Getting connected is easy. Just set up your Mercedes me account and get in touch with your Mercedes-Benz dealer to connect your vehicle to your profile to access your Mercedes me connect services.

Contact your dealer to get connected, or go to www.mercedes.me for more details.
