

# The B-Class

Price List from 22nd April to 31st July 2025

Mercedes-Benz

# Welcome

At Mercedes-Benz we appreciate the importance of detail. Over the following pages you'll find model prices and a breakdown of standard and optional equipment, as well as details of the attractive finance offers and benefits that are available to every Mercedes-Benz driver.

We have highlighted some of the best styling features both inside and out, some of the new technology features and some body styling options which all combine to give you a unique driving experience. To experience a full listing of what is available; please speak directly to your local Mercedes-Benz Dealer.

Of course, some things have to be experienced to be truly appreciated, such as the qualities that set a Mercedes-Benz apart, which is why we'd like to invite you for a test drive at your local Mercedes-Benz Dealership. Discover the location and the contact details of your local Mercedes-Benz Dealership at **[www.mercedes-benz.ie](http://www.mercedes-benz.ie)**

Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price.

A detailed view of the Mercedes-Benz B-Class interior, showcasing the dashboard, steering wheel, and center console. The interior is illuminated with blue ambient lighting, highlighting the circular air vents and the illuminated instrument cluster. The steering wheel features the Mercedes-Benz logo. The center console has a large infotainment screen displaying a navigation map. The seats are upholstered in a dark material with red stitching.

**B-Class**

# Technology

Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price.

# Mercedes-Benz User Experience (MBUX)

Transforming the in-car user experience, thanks to MBUX: Controlled via voice or touch input, the innovative infotainment system can over time even predict personal habits thanks to artificial intelligence.

## Voice control

- Activated by the keywords “Hey Mercedes”, the new intelligent voice control LINGUATRONIC<sup>1</sup> lets you control many of the infotainment functions, including destination input, phone calls or music selection
- MBUX is able to understand different accents and will adjust to you over time
- MBUX even understands indirect commands. Feeling chilly? Just say “I feel cold” and MBUX will adjust the temperature for you

## Touch inputs

- Beside voice control you can operate MBUX via touchscreen as well as touch control buttons on the steering wheel

## Personalisation

- Turn the B-Class into your very own Mercedes-Benz by personalising driving modes, radio stations and much more
- Your personal settings can be saved in up to seven different profiles, making your driving experience the best one possible
- Thanks to artificial intelligence, MBUX is able to learn and adapt over time. It will be able to predict your personal habits, such as navigation for frequently-driven routes, or the radio station you like to listen to on your way home from work

## Maintenance and service

- Wondering when the next service is due? Or how much further you can drive until you need to stop at a petrol station? Just ask your MBUX – it will tell you the answer

<sup>1</sup>LINGUATRONIC off-board functions are currently only available for three years

# Mercedes me connect

Stay connected any time, anywhere.

Mercedes me is a range of innovative online services designed to enhance your Mercedes-Benz experience. Accessible via mobile, tablet or PC, Mercedes me lets you enjoy the highest standards of care and support, in a way that integrates seamlessly with your busy lifestyle.

**Safety and Service – Mercedes me connect helps to keep you and your car safe**

Check your car's washer fluid level, tyre pressure and battery level from your phone so you'll be ready for every journey.

<sup>1</sup>Available on all models with the Vehicle Monitoring package. This option may vary between standard and additional cost dependent on the model

**Live Traffic Information, Parked Vehicle Locator and much more with Mercedes me connect**

Forgot where you've parked? Parked Vehicle Locator<sup>1</sup> will show you exactly where your car is as long as you're in a 1.5 km radius of where you parked. Real-time traffic data and dynamic route with shorter journey times.

<sup>2</sup>Part of the Vehicle Status package. This option may vary between standard and additional cost dependent on the model

# Mercedes me

**Comfort – connect to your car anytime, anywhere**

Forgot to lock your car? With Remote Car Lock<sup>2</sup> you will receive a notification on your smartphone to let you know. With one tap, you can lock and unlock your vehicle so you never have to worry.

**EQ-specific Services**

Check your charging status on the go and programme your pre-entry climate control and charging settings remotely. The EQ-specific navigation considers electrical range, topography and charging stations.

Images shown are for illustration purposes only

B-Class

Plug-in Hybrid

# Plug-in Hybrid Electric Vehicle (PHEV) The B 250 e.

Plug-in hybrid vehicles enjoy the same functionality of full Hybrid technology, with the added benefit that they can be charged from an external electricity source. With CO<sub>2</sub> emissions of 23 g/km or less, the B 250 e Plug-in Hybrid is an environmentally conscious choice of driving.

B 250 e:  
Petrol – 1,332 cc, 4-cylinder, 160 hp/ 120 kW Electric motor – 102hp/80 kW

Standard equipment
AC charging system rated at 11 kW AC
Acoustic ambient protection – the tone pitch changes depending on the driving conditions. You can therefore also differentiate whether you are braking or accelerating. Above 30 km/h, the system is basically deactivated since wind and tyre noise tend to dominate at higher speeds
Advanced Plus Package featuring... All Digital Instrument Cluster, Ambient Lighting, KEYLESS GO Comfort Package & Wireless Phone Charging*.
Charging cable – Mode 3 cable (5 metres, straight) for wallbox and public charging stations
Charging socket
Comfort suspension
Pre-entry climate control
Radar-based recuperation
Remote and Charging Services Plus

\*Compatible mobile phone required

Technical details	
Equivalent All-Electric Range (EAER) <sup>2</sup>	74–75 km
Charging time	
AC charging station (11 kW AC) 10–100% <sup>3</sup>	1 hr 25 mins
Wallbox (11 kW AC) 10–100% <sup>3</sup>	1 hr 45 mins
Range power consumption, combined <sup>2,4</sup>	183–213 kWh/ 100 km
Battery type (usable)	lithium-ion (15.6 kWh)
Capacity on-board charger	11 kW AC

<sup>2</sup>The indicated values were determined according to the prescribed measurement method – Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in Ireland. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging. <sup>3</sup>Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10–100% charge using a wallbox (three-phase) or standard socket (single-phase) <sup>4</sup>The certified electrical consumption is generally determined at maximum AC charging capacity using a Mode 3 cable. It is therefore recommended that vehicles with a HV battery preferably be charged at a wallbox or an AC charging station with a Mode 3 cable in order to achieve shorter charging times and improved charging efficiency

# B-Class

Model lines overview

# B-Class Progressive

Standard equipment highlights

**Engine, Transmission and Suspension**

- Driving modes – DYNAMIC SELECT with a choice of driving modes: Eco, Comfort, Sport and Individual
- ECO start/stop function
- Suspension – comfort suspension

**Exterior**

- 17" alloy wheels – 5-spoke design, aerodynamically optimised, painted black with a high-sheen finish (code 25R)
- EASY-PACK power tailgate
- LED High Performance headlamps with integrated LED daytime running lights and Adaptive Highbeam Assist
- Mirror package
- Radiator grille with central Mercedes star and single louvre in matt grey
- Summer tyres

Interior

- Centre armrest – front, with stowage
- Comfort seats with adjustable head restraints
- Heated front seats

- Steering wheel – multifunction sports steering wheel in leather with black topstitching and bezel in silver chrome
- THERMATIC automatic climate control, one-zone; automatically controlled air distribution
- Velour floor mats

Communications, Safety and Assistance Systems

- |  |  |
