

The GLE _{SUV}

Price list from 22nd April - 31st July 2025

Mercedes-Benz

Welcome

At Mercedes-Benz we appreciate the importance of detail. Over the following pages you'll find model prices and a breakdown of standard and optional equipment, as well as details of the attractive finance offers and benefits that are available to every Mercedes-Benz driver.

We have highlighted some of the best styling features both inside and out, some of the new technology features and some body styling options which all combine to give you a unique driving experience. To experience a full listing of what is available; please speak directly to your local Mercedes-Benz Dealer.

Of course, some things have to be experienced to be truly appreciated, such as the qualities that set a Mercedes-Benz apart, which is why we'd like to invite you for a test drive at your local Mercedes-Benz Dealership. Discover the location and the contact details of your local Mercedes-Benz Dealership at **www.mercedes-benz.ie**

Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price.

GLE

Technology

Mercedes-Benz User Experience (MBUX)

Transforming the in-car user experience, thanks to MBUX: Controlled via voice or touch input, the innovative infotainment system can over time even predict personal habits thanks to artificial intelligence.

Multi-gesture touchpad control

Voice control

- Activated by the keywords “Hey Mercedes”, the new intelligent voice control LINGUATRONIC¹ lets you control many of the infotainment functions, including destination input, phone calls or music selection
- MBUX is able to understand different accents and will adjust to you over time
- MBUX even understands indirect commands. Feeling chilly? Just say “I feel cold” and MBUX will adjust the temperature for you

Touch inputs

- Beside voice control you can operate MBUX via touchscreen, the touchpad on the centre console, as well as touch control buttons on the steering wheel
- The touchpad recognises your handwriting should you wish to enter addresses or phone numbers silently

Personalisation

- Turn the new GLE into your very own Mercedes-Benz by personalising driving modes, radio stations and much more
- Your personal settings can be saved in up to seven different profiles, making your driving experience the best one possible
- Thanks to artificial intelligence, MBUX is able to learn and adapt over time. It will be able to predict your personal habits, such as navigation for frequently-driven routes, or the radio station you like to listen to on your way home from work

Maintenance and service

- Wondering when the next service is due? Or how much further you can drive until you need to stop at a petrol station? Just ask your MBUX – it will tell you the answer

¹LINGUATRONIC off-board functions are currently only available for three years

Mercedes me connect

Stay connected any time, anywhere.

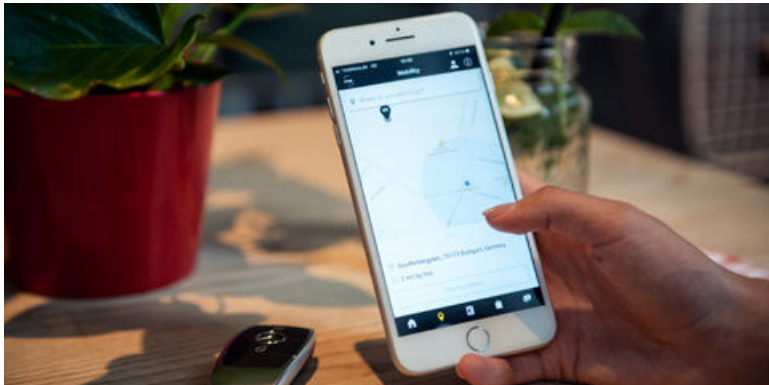

Mercedes me is a range of innovative online services designed to enhance your Mercedes-Benz experience. Accessible via mobile, tablet or PC, Mercedes me lets you enjoy the highest standards of care and support, in a way that integrates seamlessly with your busy lifestyle.

Safety and Service – Mercedes me connect helps to keep you and your car safe

Check your car's oil level, tyre pressure and fuel from your phone so you'll be ready for every journey.

¹Available on all models with the Vehicle Monitoring package. This option may vary between standard and additional cost dependent on the model

Live Traffic Information, Parked Vehicle Locator and much more with Mercedes me connect

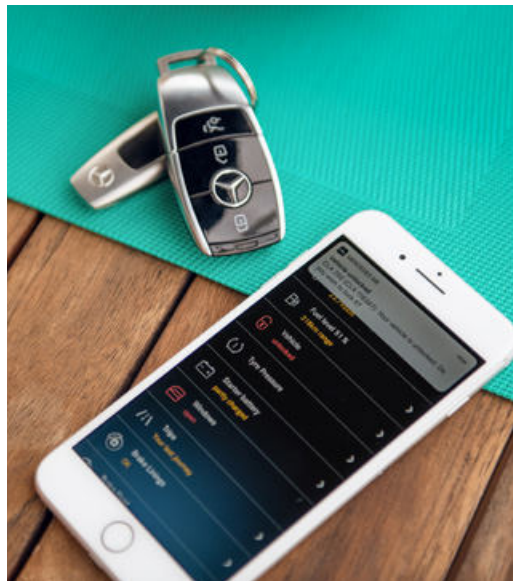

Forgot where you've parked? Parked Vehicle Locator¹ will show you exactly where your car is as long as you're in a 2 km radius of where you parked. Real-time traffic data and dynamic route with shorter journey times.

²Part of the Vehicle Status package. This option may vary between standard and additional cost dependent on the model

Mercedes me

Comfort – connect to your car anytime, anywhere

Forgot to lock your car? With Remote Car Lock² you will receive a notification on your smartphone to let you know. With one tap, you can lock and unlock your vehicle so you never have to worry.

Plug-in Hybrid Electric Vehicle (PHEV) The GLE 400 e 4MATIC & GLE 350 de 4MATIC

Plug-in hybrid vehicles enjoy the same functionality of full Hybrid technology, with the added benefit that they can be charged from an external electricity source.

GLE 400 e 4MATIC Petrol – 1,999 cc, 4-cylinder, 252 hp/ 185 kW Electric motor – 136 hp/ 100kW	GLE 350 de 4MATIC Petrol – 1,993 cc, 4-cylinder, 197 hp/ 185 kW Electric motor – 136 hp/ 100kW
--	---

Standard equipment	
Charging cable – Mode 3 cable (5 metres, straight), for wallbox and public charging stations	
Charging cable - Mode 2 cable (5 meters. straight) for domestic socket	
Charging system rated at 7.4 kW AC (Home Wallbox)	
Charging system rated at 11 kW AC (Public Wallbox)	
Pre-entry climate control	
Radar-based recuperation	
Remote and Charging Services Plus	
Technical details	
Equivalent All-Electric Range (EAER) ²	103 – 104 km
Charging time	
	Public Wallbox (11 kW AC) 10–80% ³
	Home Wallbox (7.4 kW AC) 10–100% ⁴
Range power consumption, combined ^{2,5}	SUV: 273.0–247.0 kWh/100 km
Battery type (capacity)	lithium-ion (31 kWh)
Capacity on-board charger	7.4 kW AC; 11 kW AC

²The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in Ireland. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging ³Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10–80% charge using public wallbox charging at 11 kW ⁴Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10–100% charge using a wallbox (three-phase) or standard socket (single-phase) ⁵The certified electrical consumption is generally determined at maximum AC charging capacity using a Mode 3 cable. It is therefore recommended that vehicles with a HV battery preferably be charged at a wallbox or an AC charging station with a Mode 3 cable in order to achieve shorter charging times and improved charging efficiency

Standard Exterior

Option shown: high-tech silver metallic (code 992)

Engine, Transmission and Suspension	
Comfort Suspension with steel springs	DYNAMIC SELECT with choice of driving modes: 'Eco', 'Comfort', 'Sport' and 'Individual'

Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price

Option shown: high-tech silver metallic (code 992)

Exterior
(19-inch) 10-spoke light-alloy wheelspainted vanadium silver (code R27)
EASY-PACK powered tailgate
Electrically Folding Exterior Mirrors
LED headlamps with Adaptive Highbeam Assist Plus
Rain-sensing windscreen wipers
Summer tyres

Standard Interior

Interior

- Ambient lighting, staged – 64 colours
- Front door sill panels with "Mercedes-Benz" lettering
- Front seats with electric adjustment
- THERMATIC two-zone automatic climate control
- Velour floor mats
