

The new E-Class Coupé & Cabriolet

Effective from 1st July to 31st August 2022

Mercedes-Benz

Welcome

At Mercedes-Benz we appreciate the importance of detail. Over the following pages you'll find model prices and a breakdown of standard and optional equipment, as well as details of the attractive finance offers and benefits that are available to every Mercedes-Benz driver.

We have highlighted some of the best styling features both inside and out, some of the new technology features and some body styling options which all combine to give you a unique driving experience. To experience a full listing of what is available; please speak directly to your local Mercedes-Benz Dealer.

Of course, some things have to be experienced to be truly appreciated, such as the qualities that set a Mercedes-Benz apart, which is why we'd like to invite you for a test drive at your local Mercedes-Benz Dealership. Discover the location and the contact details of your local Mercedes-Benz Dealership at **www.mercedes-benz.ie**

The new E-Class Coupé & Cabriolet: more sporty and dynamic than ever before.

With a more dynamic design including redesigned head and taillights, the next-generation of driving assistance systems, even more comfort in the interior with two digital screens and MBUX multimedia system as standard and the electrification of the powertrain the new E-Class has undergone a comprehensive update.

The new E-Class

Highlights.

Coupé.

The design modifications undertaken, particularly to the front sections, bring added refinement. The more dynamic impression comes courtesy of flatter headlamps which feature all-LED technology.

Next-generation driving assistance systems.

The new E-Class has the latest generation of Mercedes-Benz driving assistance systems providing cooperative support to drivers. This results in an especially high level of active safety: the new E-Class is able to react quickly and intelligently if the driver is unable to do so.

Intelligent steering wheel.

The E-Class is fitted with an entirely new, intelligent steering wheel. The functions of the instrument cluster and media display are operated using touch controls, the physical principle of which has been changed from optical to capacitive.

Cabriolet.

The E-Class Cabriolet with the classic fabric top offers spaciousness and comfort on long journeys for up to four people.

Work-life-drive balance.

ENERGIZING comfort control networks various comfort systems in the vehicle and uses musical and lighting moods plus a number of massage modes to meet a wide range of individual requirements with respect to the occupants wellbeing.

URBAN GUARD.

URBAN GUARD is the new intelligent interlinking of hardware and digital solutions for protection against crime. It enables all-round monitoring of the parked vehicle.

The new E-Class

Mercedes-AMG.

Driving performance.

The AMG E-Class Coupé and Cabriolet models combine our Sensual Purity design philosophy with the sporty, striking, powerful character of Mercedes-AMG.

AMG Atmosphere.

The sporty, high-quality interior comprises equipment such as AMG seats with optimised lateral support, AMG Performance steering wheel in Nappa leather and AMG brushed stainless steel sports pedals.

AMG DYNAMIC SELECT.

With the AMG DYNAMIC SELECT drive modes you can tailor the characteristics of your AMG even more to suit personal preferences at the press of a button.

Six-cylinder in-line engine with EQ Boost.

The 3.0-litre six-cylinder in-line engine is characterised by top performance and intelligent electrification. The EQ Boost starter-alternator combines a starter motor and alternator in a powerful electric motor.
