Technology

Mercedes-Benz User Experience (MBUX)

Transforming the in-car user experience, thanks to MBUX: Controlled via voice or touch input, the innovative infotainment system can over time even predict personal habits thanks to artificial intelligence.

Multi-gesture touchpad control

MBUX multimedia system with DAB digital radio

Voice control

- Activated by the keywords “Hey Mercedes”, the new intelligent voice control LINGUATRONIC¹ lets you control many of the infotainment functions, including destination input, phone calls or music selection
- MBUX is able to understand different accents and will adjust to you over time
- MBUX even understands indirect commands. Feeling chilly? Just say “I feel cold” and MBUX will adjust the temperature for you

Personalisation

- Turn the GLB into your very own Mercedes-Benz by personalising driving modes, radio stations and much more
- Your personal settings can be saved in up to seven different profiles, making your driving experience the best one possible
- Thanks to artificial intelligence, MBUX is able to learn and adapt over time. It will be able to predict your personal habits, such as navigation for frequently-driven routes, or the radio station you like to listen to on your way home from work

Touch inputs

- Beside voice control you can operate MBUX via touchscreen, the touchpad on the centre console, as well as touch control buttons on the steering wheel
- The touchpad recognises your handwriting should you wish to enter addresses or phone numbers silently

Maintenance and service

- Wondering when the next service is due? Or how much further you can drive until you need to stop at a petrol station? Just ask your MBUX – it will tell you the answer

¹LINGUATRONIC off-board functions are currently only available for three years

Mercedes me connect

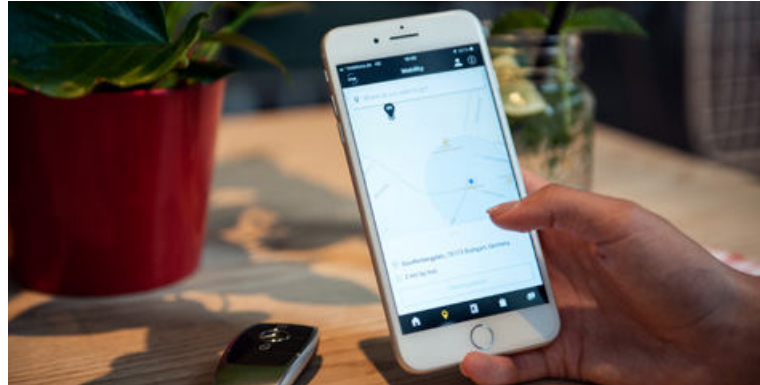

Stay connected any time, anywhere.

Mercedes *me*

Mercedes me is a range of innovative online services designed to enhance your Mercedes-Benz experience. Accessible via mobile, tablet or PC, Mercedes me lets you enjoy the highest standards of care and support, in a way that integrates seamlessly with your busy lifestyle.

Safety and Service – Mercedes me connect helps to keep you and your car safe

Check your car's oil level, tyre pressure and fuel from your phone so you'll be ready for every journey.

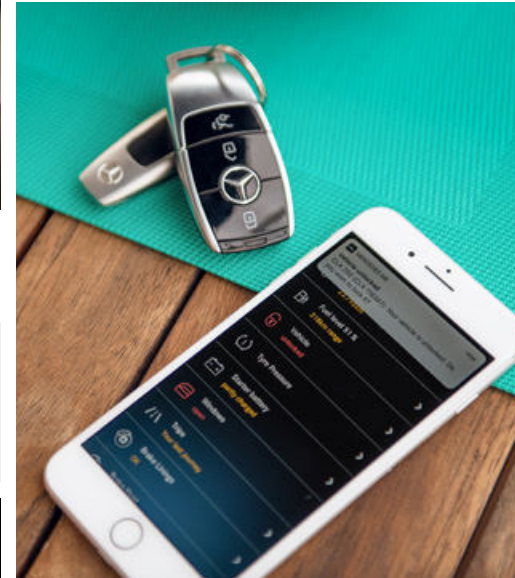

Live Traffic Information, Parked Vehicle Locator and much more with Mercedes me connect

Forgot where you've parked? Parked Vehicle Locator¹ will show you exactly where your car is as long as you're in a 1.5km radius of where you parked. Real-time traffic data and dynamic route with shorter journey times.

For more information speak to your local Retailer or visit the Mercedes me connect store at <https://www.mercedes-benz.ie/passengercars/being-an-owner/mercedes-me-connect.html>

Comfort – connect to your car anytime, anywhere

Forgot to lock your car? With Remote Car Lock² you will receive a notification on your smartphone to let you know. With one tap, you can lock and unlock your vehicle so you never have to worry.

¹Available on all models with the Vehicle Monitoring package. This option may vary between standard and additional cost dependent on the model

²Part of the Vehicle Status package. This option may vary between standard and additional cost dependent on the model

Advanced Plus Package

From¹ €1,956

- **Ambient Lighting in 64 Colours**
Showcase the interior according to your personal preferences or current mood. The 64 colours of the ambient lighting create fascinating colour schemes, for example in the illuminated air vents, doors or the dashboard.
- **Digital Instrument Display (10.25-inch):**
You experience the entire range of digital display possibilities. The large, high-resolution 10.25-inch display is individually configured by you – for example in the classic form, with the speedometer on the left and the rev counter on the right. Visually impressive and easy to read: travel and driving assistance information is superimposed using the full display area.
- **Mirror package:**
You can fold in the exterior mirrors electrically and thus make your car slimmer at the press of a button. Small parking spaces suddenly become big enough. Importantly, this also protects you from annoying damage. The drivers exterior mirror and the rear-view mirror are also able to register headlamp dazzle from the rear and dim automatically.

¹Price and availability subject to vehicle specification
Owing to supply shortages, options for vehicles may be temporarily restricted, resulting in modified vehicle and/or package pricing . Regularly updated information on this issue is available from Mercedes-Benz dealers.

Premium Package

From¹ €4,312

In addition to/replacement of Advanced Plus Package components

- **Illuminated Door Sills:**
Even getting in and out becomes an experience in itself. As part of this, the high-quality stainless steel sill panels are illuminated with "Mercedes-Benz" lettering.
- **Hard-disc Navigation:**
Save time thanks to fast hard-disc navigation with flexible options for entries via touch control or voice input.
- **KEYLESS GO:**
Maximum comfort for your day-to-day motoring: With the KEYLESS-GO Convenience Package, you can start and lock your vehicle simply by having the key with you.
- **THERMOTRONIC:**
The THERMOTRONIC controls the individual temperature in two zones. The activated charcoal filter works very efficiently, and as well as particulate matter it also eliminates harmful substances and unpleasant odours. Your health will thank you for it.

¹Price and availability subject to vehicle specification

Owing to supply shortages, options for vehicles may be temporarily restricted, resulting in modified vehicle and/or package pricing. Regularly updated information on this issue is available from Mercedes-Benz dealers.

Premium Plus Package From¹ €8,169

In addition to/replacement of Premium Package components

- **Head-up Display**
Ideal prospects for sporty driving fun and a superior driving experience: the head-up display transforms your windscreen into an exciting digital cockpit. This means you always have a direct view of key information. Your full attention remains on the road and the traffic conditions in front of you
- **MBUX Interior-Assist:**
Enjoy contactless ease of operation: this innovative system detects and interprets your hand and arm movements. This means you can activate selected functions in a matter of seconds. The system is able to differentiate between driver and front passenger – so that you reach precisely the menus you wish to use.
- **Parking Package with 360-degree camera:**
Park with peace of mind. The all-round visibility thanks to the 360 degree camera including a virtual birds-eye view is particularly impressive.
- **MULTIBEAM LED Headlights:**
For your perfect vision: the adaptive MULTIBEAM LED headlamps with individually controllable LEDs react to the traffic situation. Partial main beam omits other road users without dazzling them. And the cornering light and active light functions illuminate the field of vision optimally so that you can detect dangers sooner.
- **Surround Lighting with Projection of Brand Logo:**
An attractive eye-catching feature in dark surroundings. The additional light also makes it more convenient for you when getting in and out.
