Please note, due to optional additions there is the potential that vehicles may enter higher or lower vrt bands, thus affecting the retail price of the car, please see the final slide for any relevant models.

"Recommended Retail Prices & Annual Road Tax are calculated using the base model WLTP values and are subject to change as a result of your vehicle configuration. Škoda Ireland reserves the right to alter pricing and specification without notice. Delivery & Related Charges Extra - please contact your local Škoda dealer for more information. Škoda Ireland has made every effort to ensure the accuracy of information but does not accept liability for any errors or omissions. The specified fuel consumption and emission values presented are the official figures unless stated otherwise and are obtained in accordance with Worldwide Harmonized Light Vehicle Test Procedure (WLTP) and are correct at the time of publication. WLTP values reflect the worldwide standard vehicle range excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO<sub>2</sub> emissions produced. Please note WLTP values for vehicle range and consumption may not be realised in real or day to day driving conditions"

# Selection: Key Equipment

SAFETY	FUNCTIONAL	INTERIOR
Driver & front passenger airbags	Climatronic dual-zone air conditioning	Black 'Loft' fabric upholstery
Front side & curtain airbags	Infotainment system incl. 8" touchscreen display, voice control, USB port, 8 speakers & DAB radio	Chrome look decorative inserts
Driver knee airbag	Front and rear parking sensors	Front seats incl. height adjust (Manual)
Lane assist	Rear view camera	Front seats incl. lumbar support (Manual)
Traffic sign recognition	Adaptive cruise control incl. speed limiter	Front armrest incl. storage compartment
Hill hold control	Automatic rain & light sensors	Split folding rear seat incl. rear armrest
Remote control central locking	Auto-dimming rear view mirror	Leather multi-function steering wheel
Seatbelt warning system	Kessy Full – Keyless Entry/Go system (with anti-theft alarm)	Front overhead storage & reading lights
Electronic stability control (ESC)	Power folding exterior mirrors –driver incl. auto-dimming function	Sun visors with LED illuminated mirror
Front assist: Forward collision warning incl. emergency brake & pedestrian recognition	8" Digital driver dashboard display	
iSOFIX child seat anchor points (2x rear)	Bluetooth® phone / audio streaming	
Trailer hitch preparation	Smartlink (Apple Carplay / Android Auto)	
Emergency call (e-Call)	Remote Access (3-year subscription)	
Tyre pressure monitoring system (TPMS)		
EXTERIOR		
		17" Scutus Silver alloy wheels incl. Black matt aero inserts
		Spare wheel, tool kit & jack
		Front & rear fog lights
		LED headlights incl. daytime running lights
		LED tail lights incl. dynamic indicators
		'SUNSET' dark tinted privacy glass
		Chrome roof rails, window surround & door sills

# Selection+: Key Equipment

The Selection+ trim builds on the already comprehensive specification levels of the Selection with a further emphasis on elegance, technology and design.

Equipped with many of the most popular features, additional/replacement equipment on the Selection+ includes (in addition to Selection):

18" Miran Black aero alloy wheels

Drive mode select

10.25" Digital driver dashboard display

Heated front seats

Wireless charging pad (subject to device compatibility)

Leather heated steering wheel (incl. DSG paddles)

Suite design selection:

- Black leatherette upholstery
- Piano Black decorative inserts with chrome elements
- Rear reading light

8" Infotainment system with navigation:

- 8" touchscreen display
- Navigation
- Remote access & Infotainment online (3 year subscription)

SKODA

# Sportline: Key Equipment

With sharp, sleek details both inside and out, the special edition Sportline is distinctive from every angle. Packed with exclusive styling, the Sportline will ensure you can indulge your thirst for adventure in total comfort. Key equipment on the Sportline includes (in addition to Selection):

18" Procyon Black alloy wheels incl. Black matt aero inserts

Matrix LED headlights incl. variable light distribution & headlight washers

Front fog lights incl. cornering function

Sportline exterior styling pack:

- Front & rear sports bumpers
- Black exterior mirrors & front grille surround
- Black roof rails

LED interior pack:

- Ambient lighting
- Footwell & reading lights

Driving mode select

10.25" Digital driver dashboard display

Wireless charging pad (subject to device compatibility)

Heated front seats

Leather heated sports steering wheel (incl. DSG paddles)

Sportline interior styling pack:

- Black thermoflux fabric upholstery Front sports seats
- Dark interior headliner
- Front & rear floor mats
- Aluminium sports pedals
- Carbon / Black inserts

# HVO (Hydrotreated Vegetable Oil)

Fuel your new diesel Škoda with HVO and reduce emissions by up to 90%

## What is HVO?

HVO is a fuel replacement or alternative for compatible diesel engines. HVO offers a cleaner way to fuel by providing up to 90% reduced CO2 emissions. Unlike first generation biofuels, which are made from crops such as rapeseed and soy, Hydrotreated Vegetable Oil (HVO) is a second-generation biofuel made from pre-existing bio-waste products, primarily used cooking and vegetable oil from food industry waste. Manufactured from renewable and sustainable waste, HVO is a paraffinic drop-in fuel designed as a direct replacement for diesel. It meets the international fuel standard EN 15940. HVO can provide full lifecycle greenhouse gas (GHG) emission savings of up to 90% when compared to conventional diesel fuel.

## What are the benefits?

**Sustainability** – Made from sustainable and renewable raw materials, HVO reduces carbon emissions by as much as 90%. This enables households and businesses to make an immediate reduction in carbon emissions and reduce their environmental impact.

**Improved Air Quality** due to a reduction in particle and nitrogen oxide (Nox) emissions compared to diesel

**Performance** – Your vehicles performance will be indistinguishable from diesel with the fuel performing better under certain circumstances such as cold winter conditions

**Direct Drop-In** – No modifications are required to new Škoda's in order to use HVO. HVO and diesel fuel can be interchanged and mixed in any ratio or concentration.

**Price** – currently many fuel suppliers in Ireland are providing HVO at a comparable or equivalent price to diesel. So there is no additional cost to switching

## Where can I get HVO for my Škoda?

HVO is already available at selected Certa and Circle-K outlets in Dublin, Tipperary, Carlow, Cork and Donegal with availability improving all the time.

## How do I know if my Škoda is compatible with HVO?

Only Škoda vehicles from "Model Year 2022" (not registration in 2022) are compatible with HVO. You can identify if your Škoda is HVO compatible by the lettering "XTL" detailed inside the fuel filler flap. If you are unsure of your vehicles model year please contact your Škoda Dealer. Biodiesel or vegetable oil should not be used in Škoda vehicles and these products should not be confused with HVO. Only HVO that meets standard EN 15940 should be used in Škoda vehicles.
